

## "Unhappily Ever Now"

VERSE 3

\A/F	Mala a shura alia a	\A/ <b>=</b>	Maine alenified
WE	We're struggling	WE	We're glorified
	We cannot see		With foolish pride
	The life we take for granted		So no one else will matter
WE	With selfish greed	WE	We're out of time
	We are diseased		Let's say goodbye
	We mutilate our planet		And let our ending begin
NOW	We're too lost	NOW	We're too lost
	We're too late		We're too late
	We'll never find our way through		We'll never find our way through
NOW	We're too lost	NOW	We're too lost
	We're too late		We're too late
	We'll never find our way through		We'll never find our way through
NOW		NOW	

VERSE 1

NOW

VERSE 2 BRIDGE

NOW NOW NOW

WE	We're constantly	All this time I thought that
	Just arguing	We could survive almost anything
	The truth will never matter	But now I see the truth
WE	Feel justified	And I believe
	We paralyze	The lies that we're fed
	All of our emotions	They won't guide us
NOW	We're too lost	We'll never feel anything
	We're too late	'Til all our lives are consumed
	We'll never find our way through	
NOW	We're too lost	
	We're too late	OUTRO
	We'll never find our way through	
NOW	, ,	NOW OUR PLACE IN TIME
NOW		NOW OUR PLACE IN TIME
		NOW OUR PLACE IN TIME
		NOW OUR PLACE IN TIME
		NOW OUR PLACE IN TIME
		NOW OUR PLACE IN TIME
		NOW OUR PLACE IN TIME
		IS LOST
