

UNHAPPILY EVER NOW

“Our Time Was Taken”

VERSE 1 - PARTNER 1

On the night you left,
my emptiness consumed.

You tried to save yourself,
from this hell...
did you?

But how could you deny
my right to say goodbye?

I thought that we would always be.

Our time was taken.

PRE-CHORUS

I know why you left my side— you stole our time.
I realize you never saw my soul.
We've come too far to forget all the past.
It's time to forgive that our time was taken.

CHORUS

OUR TIME WAS TAKEN!
OUR TIME WAS TAKEN!
OUR TIME WAS TAKEN!
OUR TIME WAS TAKEN!

VERSE 2 - PARTNER 2

On the night I left,
my emptiness diffused.

You tried to drag me down,
into hell...
with you.

But how could you deny
my right to live my life?

I thought that I could just be free.

Our time was taken.

PRE-CHORUS

I know why you left my side— you stole our time.
I realize you never saw my soul.
We've come too far to forget all the past.
It's time to forgive that our time was taken.

CHORUS

OUR TIME WAS TAKEN!
OUR TIME WAS TAKEN!
OUR TIME WAS TAKEN!
OUR TIME WAS TAKEN!

VERSE 3 - BOTH PARTNERS

We tried so hard
to make this dream come true.

We tried to save ourselves,
from ourselves...
could we?

But how could we deny
our right to make things right?

We thought that we would always be.

BRIDGE/OUTRO

We must let it go (we must let it go).
We must let it go (we must let it go).
We must let it go (we must let it go).
We must let it go (we must—).

How could you do this?

This pain you made with hate
and lies
and shame
and pride
my grief denied...

Where's our goodbye?
