

UNHAPPILY EVER NOW

“Marching Through Your Madness”

VERSE 1

I know you want to hide.

Your madness fails to find
a truth to show what you've been through.

Please tell me now...
where's our goodbye?

VERSE 2

I know you want to cast the blame.

Your madness fails to hide your shame—
a truth to show what you put me through.

Please tell me now...
where's our goodbye?

BRIDGE/OUTRO

You left me on my own.
You left me all alone.
You left me on my own.
You left me all alone.

I couldn't see what would be.
Truth is you left me long ago.
I couldn't see what would be.
Truth is you left me long ago.

I'm marching...
through your madness...

NOW

I'm marching...
through your madness...
